

Application No. 10/070,349
Amendment Dated 10/29/2004
Reply to Office Action of 10/15/2004

had been filed. During the conversation Mr. Wilson also confirmed that the undersigned counsel, who also is the attorney that signed the Terminal Disclaimer submitted in the previous response, was, in fact, a practitioner at Customer No. 03000.

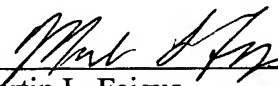

Based on the telephone interview with Examiner Wilson it is applicant's understanding that the previously filed Terminal Disclaimer does comply with the Rules of Practice and that it would overcome the double-patenting rejection, which presently is the only rejection in this application.

In view of the facts set forth herein, applicant respectfully requests that the Terminal Disclaimer filed in response to the previous Office Action be entered, that the present double-patenting rejection be withdrawn and that this application be passed to issue.

Respectfully submitted,

CAESAR, RIVISE, BERNSTEIN,
COHEN & POKOTILOW, LTD.
